President's Message, January 2017

As 2017 begins, we are moving quickly into the high-traffic tourist season at the same time our pace picks up for exhibitions, classes, meetings, and paint outs. We are making every attempt to keep you informed of our offerings by this newsletter along with materials at the general meetings, our emails, and website. We look forward to seeing the new Sanibel Community House for our Clothesline Show and our first monthly meeting both in February. The prospectus and tags for the January Art Council Show at BIG Arts and the February Judged or Juried Show at the Library are included.
