Island Inn

The new owners of the Island Inn
Resort have remodeled the lodge.

They have kindly asked SCAL painters
to participate in a day of painting
(TBA) on site followed by a 2 week
period of having 3 bins of our work in
their resort's lodge.

Those participating may bring about
five paintings each which are
unframed and matted.

A 15% commission will be shared with
the inn. Betty Wiese is the
coordinator and can be reached at
472-8834.

Historical Village

The plein air painting during
February culminates in a show/sale
of the works to coordinate with the
museum's annual quilt show. The
Village's old Schoolhouse will be
used for the exhibit which makes a
lovely venue.

Receiving will be on Friday, March
4th. The exhibition will run from
March 4 through the 19th.

It is suggested that works be mostly
in the 12 x16 or smaller size (larger
should be verticals) because of the
nature of the wall space - between
windows. Also a village theme is
preferred.

Any questions may be addressed to
Neil Glaser at 395-4683.
