

Plein Air Painting 2017-2018

Welcome back Plein Air Painters. Once again we have been invited to enter a juried show at the Captiva Civic Center the month of December. The subject will be exclusive to Captiva so we have included those locations during October for your painting pleasure. We will meet as usual on Thursdays 9 to 12 unless otherwise noted. Bring a lunch and stay for a friendly critique in which we all share positively. All skill levels are welcome and we love to meet visitors to our Island. For more information call Carolyn Johns at. [239-472-2726](tel:239-472-2726).
